RE: Sam Malcolm Letter of Recommendation

To whom it may concern,

The Southern New Mexico State Fair and Rodeo highly recommends Sam Malcolm for your next fair or festival. Sam provides a high energy, entertaining performance that drew large crowds. He engages the audience, so they feel as though they are part of the act, not just observers. With Sam's ability to work on stage or in a street performer capacity, he can accommodate the specific needs of your venue.

Sam was very accommodating to our needs. He was easy to work with from the initial contact and booking through the entire event. We normally rotate our grounds entertainment every year, but Sam was such a draw we invited him back the following year and are looking forward to him joining us again soon.

If you are looking for someone to provide crowd pleasing entertainment for all ages, Sam Malcolm is the perfect choice.
